Transfer and Accommodation

TRANSFER

1. On August 24, the day when most participants arrive, a special person with a nameplate **IUTAM-2006** will be present in the airports Sheremetyevo II and Domodedovo.

We ask you to inform us ASAP about your arrivals and *your requirement in taxi* for fixing the way to meet you and the time for our representatives to be in the airports. Their names, phones and time of presence in the airports will be given closer to August 24.

2. We will organize

- a van for meeting people who arrive practically in the same time; in this case you will pay your transfer at the registration (\$ 25 / 20 Eu / 650 R);

Because of the traffic, long period between the flights and out of the limits of the working day we will book taxis.

- A taxi for the individuals will be coordinated by our representative during the working day. Out of this time the driver will meet you in the airport with a nametable.
- Depending on the car, the price of transfer from **Domodedovo** is 1170-1230 R / \$45-50 / Eu 35-38.
- Depending on the car, the price of transfer from **Sheremetyevo II** is 1080-1170 R / \$40-45 / Eu 32-35.
- We will ask the taxi company to take money in roubles (what is, in general, the way they should take money), dollars and euros, as the exchange in the airports is bad (but you may also change a small amount or withdraw money in roubles in the banking machine). The driver of the company GO-TO must give you a receipt after you have paid.
- The driver of the company GO-TO will wait for you in the airport for 1.5 hour after the landing of your flight; this is included in the price of the transfer.

The details on your meeting will be discussed after you inform us about your arrival and a request for a transfer (yakovenko_o@list.ru – Olga Yakovenko; sokol@aqu.laser.ru – Mikhail Sokolovskiy)

ACCOMMODATION

1. Most of the participants will live in the Hotel UNIVERSITETSKAYA. You may find it in the plan which is placed in the site.

This year 3 big economy class hotels were closed in Moscow, what caused a problem with booking hotels and a significant growth of prices. That's why we could book rooms in the hotel which is not very close to the Mathematical Institute.

We booked single and doubles rooms according to your requests. The price for a single room is 3000 R (\$115 / 90 Eu), for a double / double-bedded room is 3400 R (\$130 / 101 Eu). These rooms have refrigerator, TV set and a bathroom. The administrator has a safe for money.

There is a good cheap café in the hotel, and its speciality is – they have vegetarian food, as this hotel renders services to pilgrims. Another café is aside the hotel. Just around there are small food stores and 2 bigger stores father from the hotel (see the map of the area, placed in the site).

The administration prefer that the guests pay the lodging with cash, and they have a banking machine just near them, but it is possible also to pay with most frequent credit cards (but they don't like this).

In the mornings a bus will take the participants to the Steklov Mathematical Institute. The first day, after the banquet the bus will bring people back to the hotel Universitetskaya. In the other days you will get your hotel yourself after sessions.

2. Some of the participants had a chance, and obtained rooms in the Hotel SPUTNIK, which is not far from MIAN. By the way, it is more expensive, that Universitetskaya.

On Sunday, 27 we will organize a tour of Moscow in a (two) bus. Number of buses will depend on the number of people who will take part in the excursion. We have to book them 2 weeks before the tour. Because of this you are kindly requested to inform us in your interest in this tour (yakovenko_o@list.ru – Olga Yakovenko; sokol@aqua.laser.ru – Mikhail Sokolovskiy).
